

HEADS OR TAILS

Nowadays people are used to take selfies in the most beautiful places, the project is based on people and places all over the world: cities, buildings, woods, everything that surrounds us.

SIMPLE RULES

What do you need
your mobile phone

When
during daylight

What to do
take a selfie with the front camera:
you and the place
(landscape - sunset - square - building)
must be in the selfie

After the selfie, in the same spot, with the back camera take a picture of what there's in front of you (this photo will be kind of random)

Selfie (where and with)
outdoor
an historic or symbolic place of the city
an historical building, statue, towers, art, nature

What happens in front of us at the same time as we become protagonists?

Selfie with Neuschwanstein Castle: historic building

Photos layout: **VERTICAL**
You must NOT edit or add filter to the photos.

Picture of what there's in front of the him

Send the photos to:
zanni.bertelli@gmail.com

Write:

- the name of the place (nation, city, Street)
- what's in the selfie with you (e.g: me and Time Square)
- date of the shots
- time of the shots

You can take the same picture every year:
what is in front of you will be always different.
